Dear [redacted]

Freedom of information (FOI) application – iApply receipt number 24264509

I refer to your request received by the South Australia Motor Sport Board (SAMSB) on 8 September 2026 seeking access under section 13 of the *Freedom of Information Act 1991* (the Act) to:

Correspondence, meeting records, briefing notes and attachments held by the Department of the Premier and Cabinet concerning consultation or engagement with: Adelaide Fringe Inc / Adelaide Fringe; Gluttony / Gluttony Fringe / Gluttony Food and Wine Festival Pty Ltd, including Daniel Michael and Elena Kirschbaum; and The Garden of Unearthly Delights / The Garden of Unearthly Delights Pty Ltd / Buxton Walker / Strut & Fret, including Michelle Buxton, Andrew Walker and Scott Maidment, in relation to the proposed Adelaide MotoGP event(s), circuit or associated works, including impacts on Adelaide Fringe events, venues or operations in Rymill Park, Rundle Park, or surrounding areas. This includes correspondence to or from the above organisations or individuals, and records of meetings, consultation or stakeholder engagement involving them. I do not seek routine administrative or scheduling correspondence unrelated to the substance of the consultation, media monitoring, publicly available material or duplicate documents. Date Range: 1 January 2025 to 4 September 2026

The due date for this application was 7 October 2026. The agency formally extended the time of this application to 23 October 2026.

The purpose of this letter is to advise you of my determination.

Four documents were identified as answering the terms of your application, and I have determined as follows to:

- grant you access in part to 2 documents, copies of which are enclosed, and
- refuse you access to 2 documents.

Please refer to the attached schedule that describes each document and sets out my determination and reasons in summary form.

Documents 3 and 4

Document 3 in part and document 4 in full contains of matter the release of which would disclose information concerning any deliberation or decision of Cabinet. These documents are drafts of a document which was submitted to the Government Performance Cabinet Committee which is a sub-committee of Cabinet. I have therefore determined to refuse access to this information in full pursuant to clause 1(1)(e) of Schedule 1 to the Act.

Document 1 and 3

Documents 1 and 3 in part contain matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead). They contain matters of a private concern to individuals other than you, the applicant, in accordance with section 4(1) of the Act, mobile telephone numbers and emails. In considering whether disclosure would be unreasonable, I have considered:

- the sensitivity (past or present) of the personal information
- the relationship between the personal information and other information in the documents
- how the personal information was obtained by the agency
- the nature of interest you may have in the information

In balancing these interests, I have decided that disclosure would be unreasonable and have therefore determined to exempt this information pursuant to clause 6(1) of Schedule 1 to the Act.

Documents 1, 2 and 3

Documents 1 and 3 in part and document 2 in full contain information that relates to any opinion, advice or recommendation that has been obtained, prepared, or recorded in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or agency. They also contain information that relates to any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or agency.

They consist of opinions, advice and deliberations relating to protentional business opportunities between the private sector and the government. Whilst I acknowledge the public interest in transparency, it is important that commercial discussions, prospects and collaboration can be undertaken without the prospect of these deliberations being made public. I have therefore determined to exempt document 2 in full and documents 1 and 3 in part pursuant to clause 9(1)(a)(i) of Schedule 1 to the Act.

Exemptions

Clause 1 – Cabinet documents

(1) A document is an exempt document –

….

(e) if it contains matter the disclosure of which would disclose information concerning any deliberation or decision of Cabinet; or
